2 tbsp syrup

Sparkling mineral water

DIRECTIONS

Rinse the basil leaves and the lemon.

Cut 2-3 lemon wedges and put them in a sturdy glass together with the basil leaves.

Pomegranate ginger beer smash

1 Drink

Rosemary sugar

1½ tbsp light cane sugar, 1 tsp finely chopped fresh rosemary, rinsed and dried and for the rim of the glass: 1 lemon or lime wedge

Finely chop the rosemary and mix well with the sugar on a flat plate. Take your glass and rub the rim with the lemon or lime boat, so that the entire rim is smeared in the juice. Now turn the glass upside down and press the rim of the glass into the sugar on the plate and rotate the glass slightly back and forth until the rim is covered with the sugar mix.

Tip: If you have a little fresh ginger to hand, it makes a delicious touch adding half a teaspoon of finely grated ginger to your rosemary sugar.

THE DRINK

100 ml pomegranate juice

50 ml vodka

66 ml ginger beer (e.g. Fever-Tree)

1 sprig of fresh rosemary

Ice cubes

DIRECTIONS

Fill about a third of the glass with ice cubes. Carefully pour the pomegranate juice and vodka into the glass (taking care not to touch the sugar rim) and top up with ginger beer. Garnish with a sprig of rosemary. Enjoy immediately.

Non-alcoholic version: Omit the vodka, and add 33 ml more ginger beer instead, so that the ratio of pomegranate juice to ginger beer is 1:1.

Enjoy!

Today's Recipe

Salmon pot
by Eva Solo
A delicious salmon pot recipe of tremendous taste, easy to make.

Ingredients

- 2 tablespoons frozen evaporated milk
- 1 tablespoon butter or margarine at room temperature
- 1/2 teaspoon dried dill weed
- 1/8 teaspoon salt
- 1/2 teaspoon oil
- 1/2 pound hotstock, with the skin, or halibut fillet

How to Make It

1. Melt the butter in a small saucepan. Add the milk, dried dill weed, white pepper, salt, and orange rind, and your own favorite herbs if you like. Cook and stir for 1 minute. Stir with a spoon to combine. Let cool.
2. Remove the skin from the fish and make the hotstock. Cut it into 1/2-inch cubes. Lay the fish on a plate and brush with the hotstock. Sprinkle with the hotstock and the hotstock.
3. Preheat the oven to 375°F. You can broil it without basting, which makes the recipe that easier. Broil any remaining hotstock and give the fish basting.

The White Line series is made of aluminium for optimum heat distribution across the base and up the sides. The pots, saucepan and pans all have a ceramic coating on the outside and an aluminium rim all the way around the top to protect the cookware.

This means that the cookware withstands very high temperatures and is extremely robust and hard-wearing. The inside of the pots and saucepan also has a hard ceramic coating, while the frying pans and sauté pan have a non-stick coating.
